1 June 2010

Dear Club Representative,

Semester Two 2010 Club Grants

Clubs are advised that the remaining \$2,000 is now available for grants to Non-Sporting Clubs for Semester Two in 2010.

This grant is available to be used for any Flinders club related part or full expense to include:

- Association Fees
- Audit Expenses
- Equipment Expenses
- Capital Contributions
- Insurance Expenses (where applicable)

Priority will be given to the following clubs:

- Those with predominantly student membership.
- Those whose activities are based on campus (clubs which cannot reasonably do so will be exempted from this preference).
- Those who contribute to the expense claimed for.

As an addition to this, we will be offering a grant to all affiliated clubs who wish to have members undergo professional development related to their role within the club. There is more information in the grant policy regarding this, however some examples which you may wish to consider are accreditation of coaches, officials, first aid courses etc.

You can find the Club Grant Policy, which has as its Appendices the 2010 Grant Application form, Asset List form, and the Authority to Pay Voucher on our website www.onesportandfitness.com.au . With this application you may submit an updated membership list, a suggested spreadsheet is attached if your club requires assistance in this area. If you are not currently affiliated, this will need to be done by the **16th August** to be considered eligible for this grant.

Due dates for Semester Two 2010 Grant Application

The due date for Semester Two Grant Applications is **Monday 23rd August 2010**. **Late applications will not be accepted.**

Please note that submission of a grant application is not a guarantee for clubs to receive a grant, also please note the impact that being a community club has on grant applications.

All forms will be printed and placed in your pigeon holes, emailed to club representatives, and listed on the website for your access.

Please contact me if you require any further information or for any further assistance, I am happy to help where possible.

Yours sincerely

Sue Wells
Sport Development and Marketing Officer
